10-YEAR LIMITED RESIDENTIAL WARRANTY

Lian Hin Pte Ltd (herein referred to as “the Warrantor”) guarantees COVERLAM Top products against manufacturing defects for a period of TEN (10) years as of the date of installation. All decisions regarding this warranty are at the sole discretion of the Warrantor.

A COVERLAM Top product is warranted if it fails due to any manufacturing defect when fabricated and installed by an authorized Fabricator/Installer from the Warrantor or its related companies.

This warranty applies solely to the repair or replacement of the failed COVERLAM Top product that has been permanently installed in the residence as per the address of installation stated in the COVERLAM Top Warranty Form.

WARRANTY TERMS AND CONDITIONS

1. This warranty applies to COVERLAM Top products installed after 1 June 2021.

The Warrantor will repair or replace any area of the installation that the Warrantor at its absolute discretion determines to be defective. While the Warrantor will seek to obtain the best possible result (for repair or replacement), exact color match will not be guaranteed.

6. While the Warrantor's obligation under this warranty is limited solely to the repair or replacement of the COVERLAM Top product covered by this warranty (including necessary labor charges needed to repair, remove or replace the product), the Warrantor will, to a reasonable extent, bear the cost of the electrical disconnection and reconnection and simple plumbing charges that the Warrantor determines to be necessary.
